Glossary

Adjustments budget – Prescribed in section 28 of the MFMA. The formal means by which a municipality may revise its annual budget during the year.

Allocations – Money received from Provincial or National Government or other municipalities.

Budget – The financial plan of the Municipality.

Budget related policy – Policy of a municipality affecting or affected by the budget, examples include tariff policy, rates policy, credit control and debt collection policy.

Capital expenditure - Spending on assets such as land, buildings and machinery. Any capital expenditure must be reflected as an asset on the Municipality's balance sheet.

Cash flow statement – A statement showing when actual cash will be received and spent by the Municipality. Cash payments do not always coincide with budgeted expenditure timings. For example, when an invoice is received by the Municipality it is shown as expenditure in the month it is received, even though it may not be paid in the same period.

DORA – Division of Revenue Act. Annual legislation that shows the total allocations made by national to provincial and local government.

Equitable share – A general grant paid to municipalities. It is predominantly targeted to help with free basic services.

Fruitless and wasteful expenditure – Expenditure that was made in vain and would have been avoided had reasonable care been exercised.

GFS – Government Finance Statistics. An internationally recognised classification system that facilitates like for like comparison between municipalities.

GRAP – Generally Recognised Accounting Practice. The new standard for municipal accounting.

IDP – Integrated Development Plan. The main strategic planning document of the Municipality

MBRR – Local Government: Municipal Finance Management Act (56/2003): Municipal budget and reporting regulations.

MFMA – Local Government: Municipal Finance Management Act (56/2003). The principle piece of legislation relating to municipal financial management. Sometimes referred to as the Act.

MTREF – Medium Term Revenue and Expenditure Framework. A medium term financial plan, usually 3 years, based on a fixed first year and indicative further two years budget allocations. Also includes details of the previous and current years' financial position.

Operating expenditure – Spending on the day to day expenses of the Municipality such as salaries and wages.

Rates – Local Government tax based on the assessed value of a property. To determine the rates payable, the assessed rateable value is multiplied by the rate in the rand.

SDBIP – Service Delivery and Budget Implementation Plan. A detailed plan comprising quarterly performance targets and monthly budget estimates.

Strategic objectives – The main priorities of the Municipality as set out in the IDP. Budgeted spending must contribute towards the achievement of the strategic objectives.

Unauthorised expenditure – Generally, is spending without, or in excess of, an approved budget.

Virement – A transfer of budget.

Virement policy - The policy that sets out the rules for budget transfers. Virements are normally allowed within a vote. Transfers between votes must be agreed by Council through an Adjustments Budget.

Vote – one of the main segments into which a budget of a municipality is divided for the appropriation of money for the different departments or functional areas of the municipality; and (b) which specifies the total amount that is appropriated for the purposes of the department or functional area concerned. . In Ngqushwa Municipality this means votes such as Executive & Council, Financial Services, Corporate Services, Public Safety etc.

Legislative Framework

This report has been prepared in terms of the following enabling legislation.

The Municipal Finance Management Act – No. 56 of 2003

Section 71: Monthly budget statements

4.1.2 Table C2: Monthly Budget Statement - Financial Performance (standard classification)

This table (below) reflects the operating budget (Financial Performance) in the standard classifications which are the Government Finance Statistics Functions and Sub-functions. These are used by National Treasury to assist the compilation of national and international accounts for comparison purposes, regardless of the unique organisational structures used by the different institutions.

The main functions are Governance and administration; Community and public safety; Economic and environmental services; and Trading services.

It is for this reason that Financial Performance is reported in standard classification, Table C2, and by municipal vote, Table C3.

8.3 Comments

These tables do not reflect the opening unspent balances or unpaid balances on the individual grants.

For this reason a grant may show a receipt and no expenditure where the unpaid balance has subsequently been settled.

Alternatively a grant may show expenditure and no receipt where an unspent balance has been authorised for expenditure in the subsequent year.

The unspent grant balances as at 31 July 2016 are:

Grant	R thousands
Municipal Infrastructure Grant (MIG)	4 618 951.48
Financial Management Grant (FMG)	0.00
Integrated Electrification Municipal Programme	0.00

Section 9 – Expenditure on councillor and board members Allowances and employee benefits

Expenditure on councillor and board members allowances and employee benefits

17. The disclosure on councillor and board members allowances and employee benefits must include a comparison of actual expenditure and budgeted expenditure on -

- (a) councillor allowances;
- (b) board member allowances; and
- (c) employee benefits and note

21. Where (17), (18) and (19) indicate a material variance between the actual year-to-date performance compared with the monthly or quarterly targets from the service delivery and budget implementation plan, provide explanations for such variances and indicate the likely impact on annual performance agreements of the municipal manager and senior managers.

Section 10 – Material variances to the SDBIP

Material variances to the service delivery and budget implementation plan

18. In the monthly financial statements provide a disclosure on monthly targets for revenue, expenditure and cash flow that includes a consolidated projection of cash flow for the budget year setting out receipts by source and payments by type, per month for the budget year with actual for past months and revised forecasts for future months, and shown in total for the two years following the budget year.

and note

21. Where (17), (18) and (19) indicate a material variance between the actual year-to-date performance compared with the monthly or quarterly targets from the service delivery and budget implementation plan, provide explanations for such variances and indicate the likely impact on annual performance agreements of the municipal manager and senior managers.

10.1 Over view

The SDBIP is essentially the municipality's business plan and is an integral part of the financial planning, implementation and measurement process. The SDBIP functions as the connection between the strategic plan "IDP", budget and management performance agreements, and includes detailed information on how the budget will be implemented, by means of forecast cash flows, service delivery targets and performance indicators.

Section 11 – Parent municipality financial performance

Parent municipality financial performance

22. If the municipality has municipal entities, provide the monthly statement of financial performance for the parent municipality only.
