1. TITLE

Virement Policy 2021/2022

2. PURPOSE

The main objective is to allow limited flexibility in the use of budgeted funds. Furthermore, to enable management, to act on occasions such as disasters, unforeseen expenditure and unavoidable expenditure or savings. As they arise to accelerate service delivery in a financially responsible manner.

3. SCOPE

The policy will apply in all Directorates within the Ngqushwa Municipality and all Directors and relevant Heads of Departments are responsible to ensure that it is implemented accordingly. It will apply in all Directorates, sub-directorates. All Directorates and staff categories of the Department shall be equally affected by the policy.

4. PROCEDURE DETAIL

4.1. Virement Classification

Virement is the process of transferring budgeted funds from one line item number to another, with the approval of the relevant Manager, CFO & Accounting Officer, to enable budget managers to amend budgets in the light of experience or to reflect anticipated changes. {Section 28 (2) (c) of the MFMA}

4.2. Financial Responsibilities

Strict budgetary control must be maintained throughout the financial year in order that potential overspends and or income under-recovery within individual PROJECT departments is identified at the earliest possible opportunity. (Section 100 MFMA).

The Chief Financial Officer has a statutory duty to ensure that adequate procedures are in place to ensure an effective system of financial control. The budget virement process is one of these controls. (Section 27 (4) MFMA).

It is the responsibility of each Manager or Head of a Department for the activity to specify funds allocated, to plan and conduct assigned operation so as not to spend more funds than budgeted. In addition, they have the responsibility to identify and report any irregular or fruitless and wasteful expenditure in terms of the MFMA section 32, 78 and 10

4.3. Virement Restriction

The following tabulated information provides the thresholds that shall be observed:

Threshold	Approver
R0 – R500,000	CFO and Municipal manager
Greater than R500,000	Finance Committee and Municipal Manager

- (a) No funds may be viremented between Municipal Votes.
- (b) Virements may not exceed a maximum of 1% of the total approved operating budget.
- (c) A virement may not create a new policy, significantly vary current policy, or alter the approved outcome / outputs as approved in the IDP for the current or subsequently years. (section 19 and 21 MFMA)
- (d) Virements resulting in adjustment to the approved SDBIP needs to be submitted with an adjustment budget to the council with altered output and measurements for approval. (MFMA Circular 13 page 3 paragraph 3).
- (e) No virement may commit the Municipality to increase recurrent expenditure, which commits the Council's resources in the following financial year, without the prior approval of the EXEC Committee. This refers to expenditure such as entering into agreements into lease or rental agreements such as vehicles, photo copiers or fax machines.
- (f) No virement may be made where it would result in over expenditure.
(Section 32 MFMA)
- (g) If the virement relates to an increase in the work force establishment, then the Council's existing recruitment policies and procedure will apply.
- (h) Virements may not be made in respect of ring-fenced allocations.
- (i) Budget may not be transferred from support service (Interdepartmental) costs, Capital financing, Depreciation, Contributions, Grant Expenditure and Income Foregone.
- (j) Budget may only be transferred from salaries/ compensation of employees if approved by the Municipal Manager through consultation with the CFO and Corporate Services Director.
- (k) Virements in capital budget allocations are only permitted within specified action plans and not across funding sources and must in addition have comparable asset lifespan classification.
- (l) No virement are permitted in the first three months of the financial year without the express agreement of the CFO.
- (m) Virement amounts may not be rolled over to subsequent years, or create expectations on following budgets Section 9 of the MFMA.

- (n) An approved Virement does not give expenditure authority and all expenditure resulting from approved virements must still be subject to the procurement/Supply Chain Management policy of Council as periodically reviewed.
- (o) Virement may not be made between Expenditure and Income (only during the adjustment budget).

4.4. Virement Procedures

- a) All Virement proposals must be completed on the appropriate documentation and forwarded to the relevant Finance Officer for checking and implementation.
- b) All virement forms must be signed by the Project/Operating Costs holder (per department) and the Manager within which the Project/Operating Costs are allocated, CFO and approved by the Accounting Officer.
- c) A virement form must be completed for all Budget Transfers.
- d) Must include changes to the SDBIP.
- e) All documentation must be in order and approved before any expandability can be committed or incurred. (Section 79 of MFMA).
- f) The Municipal Manager will report to the Mayor on a quarterly basis on those virements that have taken place during that quarter.

4.5. Supplementary

This policy replaces any other policy or Council resolutions as far as they may refer to virements as defined in this policy.

Once agreed and approved by the Council the Virement policy should form part of Municipal Manager's formal delegation and Financial Regulations of the Municipality.

Transfers or adjustments falling outside the ambit of this policy must be submitted to the budget adjustment process in terms of section 69 of the MFMA.

Direct any questions on this policy to the Budget Office
