

**NOTICE OF PUBLIC PARTICIPATION**  
**DRAFT PEDDIE/ HAMBURG LOCAL SPATIAL DEVELOPMENT FRAMEWORK**

Notice is hereby given in terms of Section 9, subsection 4 (a) (b) of the Ngqushwa Local Municipality's Spatial Planning and Land Use By-Law (2016) that the Draft Peddie/ Hamburg Local Spatial Development Framework is available for public comment.

The municipality intends to adopt a Local Spatial Development Framework (LSDF) for the both Peddie and Hamburg precincts. The LSDF/ Precinct plan is meant to inform and coordinate the upgrading, revitalization and redevelopment of Peddie and Hamburg Central Business Districts.

The purpose of the LSDF is to provide detailed development proposals to meet specific land use planning needs and inform public and private investment initiatives by clearly indicating future development vision for the designated local areas.

Interested parties are therefore invited to access the draft LSDF at Ngqushwa Municipality's Offices in both Peddie and Hamburg during working hours, and subsequently submit written comments at Ngqushwa Municipality's Spatial Planning and Land Use Management Section within 60 days of this notice. For technical enquiries please contact Mr W Mayeza on 040 673 3097 or email [wmayeza@ngqushwamun.gov.za](mailto:wmayeza@ngqushwamun.gov.za).
